

# Millebuis

## COTEaux BOURGUIGNONS PINOT NOIR - GAMAY

### GRAPE VARIETY

This wine is produced from the alliance of Pinot Noir (51%) which gives structure, and Gamay which brings fruitiness.

### VINES

Vineyards in the Saône-et-Loire region.

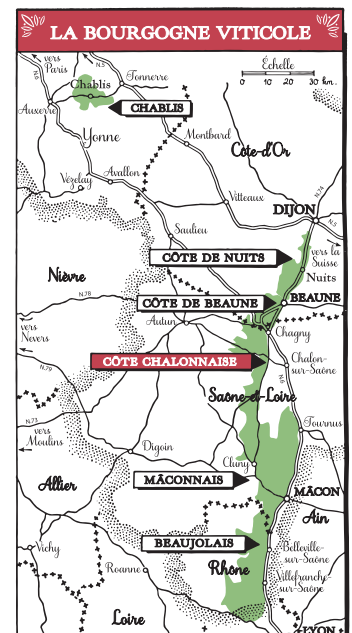

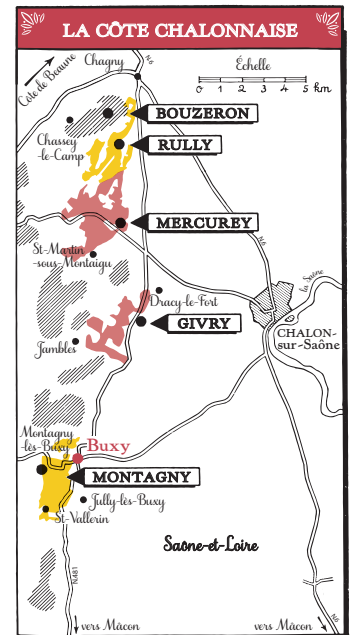

### WINEMAKING AND MATURING

The grapes are harvested at perfect ripeness and macerated at low temperature before fermentation. The resulting wine is supple and fruity.

### TASTING NOTES

A richly coloured Bourgogne with an attractive bouquet. A wine to bite into with plenty of substance and flavours of ripe, red fruit berries. A delectable expression of Pinot Noir and Gamay grapes.

Serving temperature : 16 to 18°C

*Millebuis is the true essence of our multifaceted terroirs in the Côte Chalonnaise ; Montagny, Givry, Mercurey, Rully... the names of our wines are the embodiment of the charming villages situated in the very heart of Bourgogne and our treasure. It is from this rich environment that our wines draw their delectable qualities.*
